Thursday - 26 September 1963

1. [ ] A check with [ ] OO Division, disclosed that [ ] about whom Representative [ ] talked with us (see Journal of 25 September), has been in touch with the OO Field Office [ ] on several occasions. The most recent contact was in July 1962. In his contacts, he has approached the Agency for support of several of his programs which we felt were unsound and in which we had no interest.

3. [ ] [ ] called and advised that he has been informed that a Senate Internal Security Subcommittee chaired by Senator Dodd may be planning to subpoena him [ ] and his pastor of the [ ] Church with regard to the question of pressure being placed on various branches of the [ ] Church by [ ] visiting delegations from behind the Iron Curtain. Should further information be received [ ] will be advised. No action is contemplated pending further definition.

4. [ ] Mr. Kirkpatrick briefed Maj. Gen. Heisington II, Director of the Office of Legislative Liaison of the Secretary of the Air Force, and six members of his staff on the Agency and its organization. General Carter, Mr. Houston, Mr. Warner, [ ] and [ ] were also in attendance.
